To Whom It May Concern:

I am responding to proceeding "02-278"
In Indiana **we have** a strict telephone
privacy law that restricts telemarketing
calls to our home. Believe me it has been
great and we **want** to keep it just this
way.

We were over-run with these calls. We
strongly oppose any change in regulations
that would **result** in a national no-call
program **less** strict than our own strict law.

Thank you.
